Greetings All in this Summer Season during Ordinary Time!

How quickly the time has passed, as we are already past the mid-point of the calendar year. In the liturgical calendar, we also just passed the mid-point of Ordinary Time. The saying, “The older you get, the faster that times passes” certainly seems to be true. That said, as Christians we need to be mindful that all of time has been sifted through God’s loving hands, and that we are always and forever in His divine presence. That is a great place to be!

In these final weeks of summer, please be mindful that if you plan to be gone for a vacation, a family reunion, or a weekend away, and you are scheduled to lector, please find a substitute or at the very least contact the other lector to let him or her know that you will be gone. Also, be sure to have a refreshing, renewing and relaxing time away in God’s creation with family and friends!

As always, thank you for your commitment in serving our parish as lectors, and in all that you do for our parish family of St. Clement. Have a wonderful last few weeks of summer! And looking forward to the brilliance of autumn.

*Christ’s joy and peace be yours~
Bill*
