

Saint Clement School's
Wellness Policies

on Physical Activity and Nutrition in the Diocese of Madison

VISION STATEMENT

St. Paul reminds us that even our most everyday actions have a sacred significance. "People who eat do so to honor the Lord and they give thanks to God. People who do not eat abstain to honor the Lord and they give thanks to God. None of us lives as one's own master, and none of us dies as one's own master. While we live we are responsible to the Lord, and when we die we die as his servants. Both in life and in death we are the Lord's." (Romans 14: 6-8)

Since Saint Clement School must have regulations in place that support the Richard B. Russell National School Lunch Act and the Child Nutrition Act, which encourages the establishment of healthy school environments, to reduce childhood obesity, and prevent diet-related diseases. The following regulations are hereby reaffirmed or enacted. It is our hope these regulations help further the above goals and also give glory to God.

Whereas, children need access to healthful foods and opportunities to be physically active in order to grow, learn, and thrive; Whereas, good health fosters student attendance and education; Whereas, obesity rates have doubled in children and tripled in adolescents over the last two decades, and physical inactivity and excessive calorie intake are the predominant causes of obesity; Whereas, only 2% of children (2 to 19 years) eat healthy diet consistent with the five main recommendations from the Dietary Guidelines for Americans;

Thus, Saint Clement School is committed to providing school environments that promote and protect children's health, well-being, and ability to learn by supporting healthy eating and physical activity. Therefore, it is our policy that:

- Saint Clement School will engage students, parents, teachers, food service professionals, administration, and other interested community members in developing, implementing, monitoring, and reviewing nutrition and physical activity policies.
- All students in grades K - 6 will have opportunities, support, and encouragement to be physically active on a regular basis.
- Qualified child nutrition professionals will provide students with access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition need of students; and will provide clean, safe, and pleasant settings and adequate time for students to eat.
- Saint Clement School will provide nutrition education and physical education to foster lifelong habits of healthy eating and physical activity, and will establish linkages between health education and school meal programs, and with related community services.

TO ACHIEVE THIS VISION

SCHOOL MEALS

Students are highly encouraged to participate in the school meal program. The Saint Clement School lunch manager shall strictly adhere to the National School Lunch Program rules regarding all aspects of the hot lunch program, including but not limited to their guidelines regarding the nutritional value and serving size amounts of the food served to students.

The following goals are in place in the school lunch program:

1. No fried foods are prepared; foods that were traditionally prepared in fryers are always oven baked.

2. Low fat milk choices are always available.
3. Only monounsaturated oils are used in cooking; No Trans Fats.
4. Fresh fruits and vegetables will be served as often as possible, given their availability and affordability.
5. Vegetables will be only *lightly* seasoned with salt; salt shakers will not be put out for students, although pepper and sometimes other flavorings will be available.
6. Use of processed foods will be limited to the extent possible.
7. Insure that half of the served grains are whole grain rich.

Parents are partners in the hot lunch program.

1. They are asked to share knowledge of any food allergies or special dietary needs from their medical practitioner with the hot lunch personnel. That information is shared with all school personnel as well.
2. Parents are welcome to share their wishes regarding restricting food amounts and types to individual children for reasons of healthy weight loss or gain.
3. Parents are invited to eat the hot lunches with their children, with only the courtesy of a pre-call to the kitchen or school office.

Cold lunch students are not allowed to have soda or sports drinks with their lunches and are encouraged to pack a healthy lunch. Low fat milk choices are always available for purchase.

Saint Clement School Meal Charges

Meals and milk will be paid in advance per month, quarter, semester, or year. If a family gets below a zero balance, an email will be sent with the current balance and payment instructions. If a family gets below a negative \$25.00 balance, a note will be sent home with the current balance and payment instructions. If a family gets below a negative \$50.00 balance, the Principal will contact the family to discuss payment or payment plan option. Saint Clement School will not deny any students from a hot lunch. If a student is without meal money on a consistent basis, the administration will investigate the situation more closely and take further action as needed. If financial hardship exists, parents and families are encouraged to apply for free or reduced price lunches for their child. These forms are available in the kitchen or school office.

Daily Lunch	\$2.75
Reduced Lunch	\$0.40
Adult Lunch	\$3.50
Milk Ticket (20 punches)	\$6.00

Free and Reduced-priced Meals

Families who qualify for free and reduced meals are encouraged to participate. All information is strictly confidential. Participation has a direct benefit in funding to our school.

Civil Rights

Saint Clement School follows the USDA Food and Nutrition Service Civil Rights Division’s mission to ensure compliance with applicable laws, regulations, and policies for FNS customers and employees regardless of race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity. All complaints should be directed to the Saint Clement School Principal and will be dealt with in a timely manner with help from the Saint Clement Pastor.

Limited Proficient Households

Saint Clement School is responsible for ensuring that equal access to services, programs, and activities is provided to persons with Limited English Proficiency (LEP). LEP persons are defined as individuals who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English. Saint Clement School will utilize various resources to translate and interpret critical information. These resources include employees who are fluent in a particular language, other Federal agencies, or contractual providers of language services. Saint Clement School will provide these services at no cost to the customer, in an accurate and timely manner.

Field Trips

The hot lunch program will make a sack lunch and milk available for all participants (including chaperones).

Meal Times and Scheduling

Saint Clement School:

1. will strive to provide students with adequate time for meals (the School Nutrition Association recommends at least 20 minutes for lunch from the time they are seated);
2. milk break/snack break will be **completed** a minimum of two hours before scheduled lunch;
3. should schedule tutoring, club, or organizational meetings or activities around mealtimes, unless students may eat during such activities;
4. special meals, such as pizza parties, can **not** replace school lunch;
5. will provide students access to hand washing or hand sanitizing before they eat meals or snacks.

Sharing of Foods and Beverages

Saint Clement School will discourage students from sharing their foods or beverages with one another during meals or snack times, given concerns about allergies and other restrictions on some children's diets.

HEALTHY AND NUTRITIOUS SCHOOL ENVIRONMENT

1. The sale of all food, beverages, and snacks to students during the school day shall be under the control of the principal or his/her designee.
2. Saint Clement School will prohibit the sale of foods and beverages of minimum nutritional value in vending machines during the school day.
3. The distribution of foods sold for fundraising purposes will take place at the end of the instructional day.
4. Saint Clement School reserves the right to limit quantities and exercise portion control of any food/beverage item offered at school.
5. Snacks served during the school day will make a positive contribution to children's diets and health, with an emphasis on serving fruits and vegetables as the primary snacks and water as the primary beverage. Below is a list of suggested beverages and snacks
6. Saint Clement School will assess if and when to offer snacks based on timing of school meals, children's nutritional needs, children's ages, and other considerations.

Beverages

- Fruit juice and vegetable juice (100 percent)
- Low-fat or fat-free milk: white or flavored
- Bottled water

Snacks

- Canned fruit (packed in 100 percent juice/no sugar added)
- Fresh fruit (e.g. apples and oranges)
- Fresh vegetables (e.g. carrots)
- Pretzels

- Whole-grain bread products (e.g. bread sticks, rolls, bagels, and pita bread)
- Ready-to-eat, low-sugar cereals (6g sugar or less 100g cereal)
- Granola bars made with unsaturated fat
- Low-fat or non-fat yogurt and yogurt sticks
- Snack mixes of cereal and dried fruit with a small amount of nuts and seeds (low-sugar cereal)
- Raisins and other dried fruit (No sugar added)
- Peanut butter and low-fat crackers
- String cheese
- Popcorn
- Low-fat pudding snacks

Rewards

Saint Clement School will not use candy, food, and/or beverages as rewards for academic performance or good behavior. Food or beverages (including food served through school meals) will not be withheld as a punishment.

Celebrations

Saint Clement School should limit celebrations that involve food during the school day. Parties will be scheduled after school lunch. Parents are encouraged to provide healthy snacks and treats for student celebrations and other events.

NUTRITION AND PHYSICAL ACTIVITY PROMOTION AND FOOD MARKETING

Nutrition Education and Promotion

Saint Clement School strives to teach, encourage, and support healthy eating by students by providing nutrition education and engaging in the promotion of healthy nutrition habits:

- nutrition education is offered at each grade level as part of a sequential, comprehensive, standards-based program designed to provide students with the knowledge and skills necessary to promote and protect their health (i.e. Healthy Hearts curriculum);
- is part of not only health education classes, but also classroom instruction in subjects such as math, science, language arts, social sciences, and elective subjects;
- promotes fruits, vegetables, whole grain products, low-fat and fat-free dairy products, healthy food preparation methods, and health-enhancing nutrition practices;
- emphasizes caloric balance between food intake and energy expenditure (physical activity/exercise);
- includes professional development for teachers and other staff.

Integrating Physical Activity into the Classroom Setting

Students will receive daily physical activity and for students to fully embrace regular physical activity as a personal behavior, students need opportunities for physical activity beyond physical education class. Toward that end:

- classroom health education will complement physical education by reinforcing the knowledge and self-management skills needed to maintain a physically-active lifestyle and to reduce time spent on sedentary activities, such as watching television;
- opportunities for physical activity will be incorporated into other subject lessons; and
- classroom teachers will provide short physical activity breaks between lessons or classes, as appropriate.

PHYSICAL ACTIVITY OPPORTUNITIES AND PHYSICAL EDUCATION

Physical Education (P.E.) K-6

Physical education is offered at each grade level as part of a sequential, comprehensive, standards-based program designed to provide students with the knowledge and skills necessary to promote and protect their

health. Saint Clement School will strive to meet the Wisconsin Department of Public Instruction requirements for physical education as K-6 students participate a minimum three times per week.

Daily Recess

All Saint Clement School students (K-6) will have at least 20 minutes a day of supervised recess, preferably outdoors, during which schools should encourage moderate to vigorous physical activity through the provision of space and equipment.

Physical Activity and Punishment

Saint Clement School will not use physical activity (e.g. running laps, pushups) for punishment and will not withhold all opportunities for physical activity (e.g. recess) as punishment.
